To help in preparing for the TOEIC Test, please find attached to this email a .pdf copy of ETS' TOEIC Examinee Handbook.

This is in addition to the printed copies that have been delivered to individual faculty members and printed copies made available in the Resource Centers at the institute.

A copy may also be found on the Institute's website.

We will be discussing testing practices further at this month's faculty meeting and during the Program Planning, Development and Review Standing Committee Meeting in May and June.

Please let me know if there are any questions or suggestions.

Many thanks.
